## PROGRAM AUGUST 25, 2015

### **BRYON HATREL – EDWARD JONES AND BRIEN LUNDIN – JEFFERSON FINANCIAL**

Bryon Hatrel is an Investment Advisor Representative working at Edward Jones in Metairie, LA and has over 23 years of experience in the finance industry. Bryon Hatrel has taken additional exams to become a Certified Financial Planner (CFP®). CFP professionals must pass the comprehensive CFP Certification Examination, pass CFP Board's Fitness Standards for Candidates and Registrants, and agree to abide by CFP Board's Code of Ethics and Professional Responsibility and Rules of Conduct which put clients' interests first and comply with the Financial Planning Practice Standards.

Edward Jones is a decidedly different kind of investment firm. Their mission is to help individuals reach their serious, long-term financial goals. They believe that building long-term relationships with our nearly 7 million clients is key to serving their needs.

Brien Lundin, President and CEO of Jefferson Financial, has a career spanning four decades in the investment markets, a highly regarded publisher of market analyses and producer of investment-oriented events. Under the Jefferson Financial umbrella, Brien publishes and edits Gold Newsletter, a cornerstone of precious metals advisories since 1971. He also hosts the New Orleans Investment Conference, the oldest and most respected investment event of its kind.

We wish to thank both Bryon and Brien for a very informative program.
